## WHERE AND WHEN TO SEND THIS FORM

Your form will be completed by your school and sent directly to your preferred provider by the closing date Wednesday 13th February 2013. Applications after this date will be considered according to availability.

## WHAT HAPPENS NEXT

Your application will be acknowledged and then you will be given a guidance interview by your preferred provider.

The outcome of your first application will be notified by the first day of the summer term. If your first choice college or school sixth form does not offer you a place, your application will be passed to your second choice.

The providers make every effort to give guidance which ensures that you are placed on a programme of study that best suits your needs. The offer of a place is conditional on your achieving the appropriate entrance qualification, details of which are indicated in the course information from each provider, and will be made clear at interview or your letter of offer. Every effort will be made to place you on an alternative course in September if you do not meet the conditions of your original offer.

If you change your first preference of institution before your interview, you must write to the institution - signed by yourself and your parent/guardian.

Contact your preferred provider with regard to physical access in respect of your chosen course.
