DUTCH SCHOOL VISIT

We were delighted to welcome back students and teachers from the Dutch School who visited HHS last year. They visited the 6th Form on Tuesday 8th October

ROAD SHOW

My thanks to Mr Baker, Mr Bonsu and Mr Sherrell have been visiting local junior schools to tell Year 6 pupils about life in our school. As well as performing an exciting science demonstration our team of teachers answer pupils' questions. Young people ask searching questions and are well aware of the importance of choosing the right school. Tours are still taking place and if you know of anyone who is looking to move to a secondary school, ask them to contact us.

Yours sincerely

Paul Gamble
